FROM: REVD STEVE DAY

I have a number of friends who are professional singers, and they sometimes refer to something they call “the money note”. It’s that one note in a piece – often a particularly high one – that a singer must hit if they are to earn their money ... and an invitation to sing again!

It can feel like that in all our roles: perhaps it’s the month’s sales figures, the vital client presentation, the season’s crop yield, or the Easter Day sermon. I’m sure you will have something, in whatever job you do, where the outside world will judge you – and hopefully reward you – for that one moment of peak performance.

And then you have to do it again. And again. Until it can become a burden, because doing it well *this* time sets the expectation that you will do it even better *next* time. None of us is perfect, and none of us can be absolutely at our peak all the time, let alone keep getting better forever.

The church season of Lent, with its emphasis on testing and trying to achieve something we wouldn’t normally, shows this up especially. Those who try to ‘give up’ something, or take on something extra, soon find out how hard it is to hit the money note over and over.

Fortunately for us, the Easter story is the story of God hitting that money note for us. Jesus, God the Son, lived the perfect life then died as if he hadn’t, sacrificing himself for us. Then, hitting the biggest money note of all, God raised Jesus from the dead!

Because of what Jesus did, we can be assured that God offers us acceptance and forgiveness, regardless of how we perform in our jobs, regardless of how we cope, or don’t cope, in our personal lives, and however often we hit or miss the money note.

If you’re at the top of your game right now, great – God rejoices with you! Even if you aren’t, God’s care, love and forgiveness are there for you, closer than a prayer. This Easter season give God a call, and see what notes you can hit together.

REGULAR MEETINGS in the 6 Villages:

WOMEN'S BIBLE STUDY meets during term time fortnightly on Fridays, 10.30am, at Oaktree House, Potton End, Eltisley - Contact Sarah on 880214.

HOPE BIBLE STUDY: Every Wednesday during term time at 8pm - call 880409 for details.

LADIES CIRCLE For women up to the age of 45. We meet 2 Tuesday evenings a month with a varied programme. For info contact Nicky on 880114.

Firstly, a very big thank you to all who helped at the Village Working Party. The old adage 'many hands make light work', proved true and we refreshed the paths in the Woodland Walk and spruced up the Pocket Park in record time. We then raked the fallen branches, courtesy of storm Doris, from the green and installed a new seat in the play area. The seat was kindly donated by the relatives of Bob, Audrey and Ian Salmon in their memory and we are most grateful.

A large number of residents attended the March PC meeting where we heard a presentation on revised plans for the proposed development by Enterprise Developments in conjunction with the Topham family, and a representative from Hastoe Housing explained how 'affordable housing' works and their involvement. Many points were raised, questions asked and answered and, I hope, some misunderstandings cleared up. The Parish Council has no view on this and will express no view until, and if, a planning application is received, at which point we will be guided by you, and it is important that we hear from you all wherever you live. Please write to the Clerk (details below) as she is the proper officer of the Council and is the only one empowered to deal with correspondence. As you know SCDC will be conducting a Housing Survey in the village to establish the need for extra housing so please do respond when the time comes.

Our County Councillor Mandy Smith assured us that the funding awarded last year for our successful bid to the Minor Highways Improvement Scheme is ring fenced and there will be an experiment using cones in Caxton End to restrict parking and establish the effectiveness of the proposals to introduce time related parking limits. Mandy also announced that we had again been successful with our bid this year and been awarded funds to purchase our own Speedwatch Kit, which will make life for our Speedwatch Team (and Pat!) much easier. Thanks go to Mandy, the County Council, and our Clerk Jane for her work in the application. Mandy agreed to arrange further meetings to discuss the Cambridge Road Junction onto the A428 and push for improvements, and, as you know, the consultation on the route of the new road lasts until 23rd April. A list of consultation venues is on the notice board and we have one in the village on 1st April at the school from 10am – 4pm. Do go along with your questions and express your views.

contd

I reported on the Police Panel Meeting and that we are still hopeful to have a meeting with the local officers in the Village, the increase in 'scams' both over the telephone and via the internet is of great concern as the 'scammers' are becoming more professional and conniving – be on your guard. We held an Open Neighbourhood Watch and Speedwatch meeting that frankly was poorly supported. We all need to work together to make our village safer and we need more volunteers! Our Parish Plan meeting however was packed out and we had a lively discussion! But the main purpose of the meeting was to plan the 'refresh' of the Parish Plan to guide the Parish Council over the next five years. We will be formulating a survey to distribute to all households so if you would like to help let me know.

The usual financial matters were dealt with and other items discussed were planning applications, the Allotments, Pocket Park and the Institute funds.

We had received three applications for the vacancy on the PC and I am delighted to announce that Martin Lines was the successful candidate. Martin and his family have a long association with the village and the PC and I know that he will make a valuable contribution.

Our next PC meeting will be the **Annual General Meeting** together with the **Annual Parish Meeting** at **The Cade** on **Tuesday, 9th May 2016** commencing at the earlier time of **7.00pm** I hope to see you all there.

As always, praise or problems to me at 45 Caxton End or on **01480 880122** or rtp@eplusmail.com or our Clerk Jane Bowd on **01480 468451** or eltisleypc@btconnect.com

ST PANDIONIA'S PARISH - APRIL

This month we celebrate Easter and we are delighted that the **Right Reverend Dr David Thomson, Bishop of Huntingdon** will be leading our all age communion service at **10.30am on Easter Day**. We will be giving him a warm Eltisley welcome and very much hope that many of you will be able to join us for the service.

Our **Good Friday walk** will start at St Pandionia's at **10.15 am on Friday 14th April**. There will be hot cross buns and coffee on offer before we walk to Caxton, arriving in good time for the Stations of the Cross service there at noon. Cars will be available at Caxton to bring walkers back to Eltisley either before or after the service. Do come along - it's always a good bit of exercise as well as a chance to meet new people and catch up with friends. You might even find a few **easter eggs** along the way!

Another great annual event is the **Eltisley Safari Supper** that will take place on **Saturday 22nd April**. If you haven't been to a safari supper before then this event is really not to be missed. If you have been before then this year's promises to be even better with some new hosts as well as a few additions to the programme! Book your tickets now - more details elsewhere in the newsletter.

Lastly a big thank you to Cambridge University Brass Band who delighted us with another wonderful concert in the church on March 24th, as well as those who helped to make this event happen. Thanks also to those who turned out to help with the churchyard clear up. Both events involved a great team effort and everyone's energy and time were, as always, very much appreciated.

KALEIDOSCOPE: (In The Cade, Eltisley)

On the 25th April, 7.45pm for 8pm, we have Sally Smith, who works as a Cambridge Street Pastor, here to talk to us about her life on the streets of Cambridge when most of us are tucked up in bed.

Street pastors are trained volunteers from local churches who care about our community. They patrol on Friday and Saturday nights, without judgement, to care for, listen and help people who are out on the streets. They provide a safe place for people to rest, recover or wait for friends or a taxi. Led by a local coordinator, they also have support from local churches and community groups in partnership with the police, local council and other statutory agencies.
