Growing the rural church:

A summary of research into rural church dispels the myth that faith in the countryside is dwindling.

'Shaping strategies for mission and growth in rural multi-church groups'

<http://germinate.net/resources/shaping-strategies-mission-growth-rural-multi-church-groups/>

shows that growth is occurring across the land including in rural parishes like those in the Papworth Team Ministry.

However, it makes clear that growth requires everyone to bring their skills to the church.

Archbishop Justin Welby sounds a chilling warning: "any church that leaves things to the 'professionals' is committing missionary suicide."

In other words, we – the whole people of the churches that make up the Papworth Team – have to hear the words of St Paul which reminds us that each of us forms part of Christ's body in this place and this age.

'We have different gifts, according to the grace given to each of us' (Rom 12:6)

So what are the top tips that this new report suggests. It says that growth in rural churches is associated with 'six particular characteristics':

1. an intentional focus on mission and evangelism, beyond a focus on Sunday worship;
2. a culture of personal and corporate discipleship within congregations;
3. a committed group of lay people leading a range of activities and events, with easily accessible training and support available;
4. a redirection of time and energy, particularly but not exclusively for clergy, from administration and building maintenance to outreach, service and evangelism;
5. an approach to ordained ministry in which discerning, nurturing and equipping the ministry of lay people within the body of Christ is one of the highest-priority areas of work for the clergy, backed up by appropriate training and support;
6. co-operation and collaboration within and between different multi-church groups, and ecumenically wherever possible.

Our team has many lay people playing their part, from cleaning to leading worship.

Have you thought what your gifts may be? It does not have to be high profile, it need not take up lots of time. But as one of our supermarkets reminds us every day: 'Every little helps'.

If you feel you could do something to help grow our churches, talk to one of the ministry team or your churchwardens. All offers gratefully received.

ELTISLEY & CROXTON WI NEWS:

In June, visitors from Eltisley History Society joined us for Vanessa Mann's fascinating account of the detective work she does as a consequence of collecting Edwardian postcards.

Ros Morgan represented us and three other local WIs at the National WI Annual Meeting at the Echo Arena, Liverpool in June. As always at these meetings, the sound of several thousand women singing "Jerusalem" was a spine-tingling experience. Perhaps more of a surprise was the sight and sound of many of those women dancing and singing in the aisles to the sound of the WI's own tribute band at the end of the day!

Once again we were lucky to have a beautiful warm evening for our summer outing. Buckden Towers provided a lovely combination of history, architecture and gardens.

Wednesday 9th August: "From Leeches to Lasers" sums up the history of Addenbrooke's Hospital as described by Avril Gilbert when she visits us in August.

Saturday 2nd September: Members' 70th Birthday outing to see "Half a Sixpence" at the Noel Coward Theatre in London.

Wednesday 13th September: Continuing the theatrical theme, Anne Datson will regale us with tales of living in a theatrical family with her talk "To Be or Not To Be".

Do come along and sample what's on offer! New members and lady visitors are always welcome to regular meetings which are usually held at The Cade Pavilion. To find out more contact Inez - 880358, or Carol - 880328, or just come along.

Everyone Health Falls Prevention Service offers free 1:1 appointments for individuals who may have a fear of falling, or have previously had a fall. We provide a free service within South Cambs, East Cambs and Fenland areas and offer advice to prevent falls and increase confidence. Our mission is to provide an accessible service that helps to reduce the risk of falls, trips and slips in the community. Our team can help you to identify and address any risks before they become a problem, so that you can continue to enjoy life as you want to.

We work closely with other services in Cambridgeshire to improve access to Falls Prevention Services for all people in later life who are at risk of falling. ELTISLEY HISTORY SOCIETY

Eltisley History Society meets on the fourth Wednesday of each month in the Cade Pavilion, 7.45 for 8pm. Visitors (over 11 years old) always welcome, £2 per meeting, or enrol as a member. Interesting speakers.

Wednesday 23rd August: World War 1 Prisoner of War camps in Cambridgeshire and surrounds

Merchant Navy Day:

Eltisley History Society have received details of Merchant Navy Day, held annually on 3rd September. Are you aware of this annual commemoration? Seafarers UK are trying to raise public awareness of Merchant Navy Day and of our ongoing reliance on seafarers and shipping, and we would like to encourage you to spare a thought, particularly on 3rd September, for the sacrifices made by British Merchant Navy seafarers.

Admiral The Right Honourable The Lord West of Spithead, GCB, DSC, PC, writes in his Foreword to the Seafarers UK appeal : “While many people know that the 3rd of September 1939 marked the outbreak of the Second World War, few are aware that it also marks the first major British maritime casualty, the merchant vessel SS Athenia, torpedoed just a few hours after hostilities were declared with the loss of 128 passengers and crew. Although many hundreds of merchant ships and thousands of seafarers would meet the same fate in the years to come, 3rd September is now enshrined as ‘Merchant Navy Day’ to honour the brave men and women who kept our island nation afloat during both World Wars, and even during peacetime faced – and continue to face – the more routine perils of violent storms and mountainous seas.”

The total recorded losses for the First World War were 2479 ships and 14287 seamen, plus vessels of the Fishing Fleet and 434 seamen; these were just those who died at sea.

The Seafarers UK campaign is encouraging parish, town and community councils across the UK to fly the Red Ensign, the official flag of the British Merchant Navy, to show support for the initiative and to publicly recognise the debt we owe Merchant Navy seafarers. Eltisley History Society would like to ask you to remember the sacrifices made and think about those who are lost and those who continue to serve in the Merchant Navy.

If you would like to know more about Seafarers UK and Merchant Navy Day, more information can be found at www.merchantnavyday.uk

ELTISLEY FEAST WEEK QUIZ:

A huge thank you to all the devoted local quizzers who supported this year's Annual Eltisley Feast Week quiz, and helped to raise £200 for Parkinson's UK, a Parkinson's disease research and support charity which supports better care, treatments and quality of life for sufferers.

The marquee was bursting at the seams to fit in 12 teams, and there were some challenging questions including a tricky music round (which one team got completely right!) and a mind-boggling brain teaser round. The JBFC team won, by just half a mark! Well done to them!

And thanks also to Nichola and Graham who worked all evening on the bar, and to the Cade committee for their barbecue which kept everyone fully functioning all evening.

The monthly Eltisley Quiz resumes on September 28th (always the 4th Thursday of the month), come and join us in the Cade.

GUTTER CLEARING SERVICE

Do your gutters have fallen leaves, sand, mud and other debris in them?

Most do, as with every rainfall the debris is washed into them from your roof top.

Do you want to save yourself the expensive repairs associated with the damage blocked gutters can cause to your home?

Regular clearing helps to prevent blocked gutters which can lead to costly repairs from burst pipes and water damage to your house structure.

**Contact James on
01480 831970 (Evenings)
or 07471 164278 (Daytime)
for an honest,
reliable gutter clearing service.**

Prices start at £20 a house.

Appointment times and quotations
are available on request.

Public liability insurance held and CRB checked.

BUILDING A GRAVELEY HISTORY:

In 2002 Lyn Abbot and Pat Manser had a meeting in the Village Hall with lots of people who had memories of Graveley and there was a video/cd taken at the time.

What we'd like to do is to continue this and build up the History of Graveley from everyone who can help. We'd like to have any stories, memories and pictures that we can put together and keep adding to as we move into the future, which will be available for everyone.

If you have anything that will help, or know someone who has, written pieces, stories, pictures etc, please let us know. You can ring me, Vanessa Peck, on 01480 830676 or Lyn on 01480 830108 or email me

at info@elysiagarden.co.uk - we can collect anything if you prefer.

We'll have a meeting at the Village Hall in November, after the first phase of the refurbishment is completed, and see what material we have got so far and get some ideas of how we're going to record, present it, and what we can do to gather more if possible.

If you can help at all we would really appreciate it - however small and look forward to hearing from you

Thanks and kindest regards

REGULAR MEETINGS in the 6 Villages:

WOMEN'S BIBLE STUDY meets during term time fortnightly on Fridays, 10.30am, at Oaktree House, Potton End, Eltisleigh - Contact Sarah on 880214.

LADIES CIRCLE For women up to the age of 45. We meet 2 Tuesday evenings a month with a varied programme. For info contact Nicky on 880114.

It really is great to see the traditional Feast Week taking place on our beautiful village green, cricket each day, evening events and the Fete, well done to all involved, and thanks to the 10 stalwart volunteers who attended the village working party by doing odd jobs around the village we help to keep the precept down, have a bit of fun and, of course, Pat's celebrated cakes!

I apologise that the Parish Plan Survey failed to appear last month, the District Council printers were late delivering it but it will be circulated soon so look out for it and please fill it in. I have had many positive comments on the parking trial in Caxton End and we await feedback from Cambridgeshire Highways, the only proviso being extending the parking restriction into the Green Road to improve visibility.

At the July PC meeting we discussed the Housing Needs Survey which indicated the need for 10 affordable homes, and we will continue to work with Cambridgeshire ACRE, South Cambs District Council and Hastoe Housing to find a suitable site. The survey results are available from SCDC and also on our website. We reviewed the specification for paths and driveways that cross the green and I reported on the Police Panel meeting following which we resolved to request that our designated Sergeant attend our next meeting to discuss our concerns on crime in the village.

Accounts were approved for payment, we noted the bank reconciliation and internal audit, and appointed an internal auditor for 2017/18. We heard the latest advice from CAPALC on dealing with the pond at the end of Manor Farm drive and the funds from the sale of the village institute, and, following comments from our insurers and ROSPA, we decided not to proceed with lighting the play area on the green. We approved planning applications for rebuilding the wall at 18 the Green, treatments of timber infestation at 1 Potton End and an extension to 3 Caxton End, but we objected to an application for a disabled parking bay in Greenfields on the basis that it would cause further congestion.

The meeting was closed to the public to allow us to review the clerk's annual appraisal, and we then moved onto a meeting of the EVGT where we agreed to fund the new football goal, and a meeting of the Eltisley Allotments for the Labouring Poor – yes that's the proper title! – as our auditors have advised us to hold a separate meeting for it, after approving the accounts and noting the account balances, we concluded a busy night.

Please do remember that harvest has started – and the school holidays begun. The machinery gets bigger all the time so please keep your children safe, and bear in mind that the concrete road that turns right before the bridleway to Caxton is a Private Road for the use of farm traffic only.

The PC Minutes and other information are posted on the PC notice Board in the bus shelter, and there is lots of information on our village website – www.eltisleyvillage.co.uk do check it out.

Our next PC meeting will be at **The Cade Pavilion** on **Tuesday, 12th September** at **7.30pm**. See you there.

As always, praise or problems to me at 45 Caxton End or on **01480 880122** or rtp@eplusmail.com or our Clerk Jane Bowd on **01480 468451** or eltisleypc@btconnect.com

Roger Pinner Chairman Eltisley PC

A message from Elaine Mountford, Community Protection Officer:

I am pleased to say that a large percentage of Cambridgeshire's No Cold Calling Zones are now led by a local resident which is fantastic news and our Good Neighbours Scheme is also proving popular with over 30 schemes now in place across Cambridgeshire. Welcome to our new coordinators and thank you all for your help. I hope these updates are proving useful to you all.

Be wary of people calling you claiming to be from The Telephone (or Mailing) Preference Service asking for payment to complete your registration. TPS/MPS is a FREE service. TPS have also been made aware of an overseas company claiming to be BT, asking for your credit card details to stop unwanted calls. This is a scam. BT advise on their website to never give out your credit card details over the phone.

We have also had a message from the Action Fraud team warning of a text message scam. This is known as 'smishing' (SMS phishing!). It enables criminals to steal a victim's money or identity, or both, as a result of a response to a text message. Fraudsters are targeting victims via text message, purporting to be from their credit card provider, stating a transaction has been approved on their credit card. The text message further states to confirm if the transaction is genuine by replying 'Y' for Yes or 'N' for No. Do not respond to these messages (or to text 'stop' to a strange number to stop text messages). Through this method the fraudster would receive confirmation of the victim's active telephone number and would be able to engage further by asking for the victim's credit card details, CVV number (the three digits on the back of your bank card) and/or other personal information.

Protect yourself:

- Always check the validity of the text message by contacting your credit card provider through the number provided at the back of the card or on the credit card/bank statement.
- Beware of cold calls purporting to be from banks and/or credit card providers.
- If the phone call from the bank seems suspicious, hang up the phone and wait for 10 minutes before calling the bank back. Again, refer to the number at the back of the card or on the bank statement in order to contact your bank.
- If you have been a victim of fraud or cyber-crime, please report it to Action Fraud at <http://www.actionfraud.police.uk/> or alternatively by calling 0300 123 2040

Please take care of yourselves and (as always) if you would rather not receive these little updates please let me know. Tel: 01954 286006 or 07810153604

ST PANDIONIA'S PARISH – August 2017

In July, we enjoyed a wonderful Feast Week, including our Fete Day, which raised in excess of £2,500.

A really big “thank you” to everyone who helped to organise this successful event, and for the generosity of contributors. The money raised makes a significant contribution to the yearly cost of maintaining the Church building.

Services will vary slightly from the usual pattern over the summer, so please see the back cover of the newsletter for confirmation of what is on and when. If you find that a service you were expecting is not on in Eltisley, you would be welcomed in another church within the Papworth Team, where there is a service. We will be starting “Breakfast @ 8.30” on 10th September. This will be a short, informal service, which starts with a good hearty breakfast first thing in the morning. We hope it is a convenient time to come along and get Sunday off to a great start.

On **1st September** we have a **Murder Mystery Evening** in the garden of John & Anne Pettifor. This is a fun event and, as well as being entertained by a cast of local ‘thespians’, you will also enjoy a sumptuous **barbeque**. Tickets are a very reasonable £12 obtainable from Nichola (880285), Bruce (880020) – get yours before they sell out.

And to make further use of the marquee in John and Anne’s garden, on **2nd September** sees the Papworth Team Social. This is a wonderful afternoon, with a **Hog Roast, live music, Silent Auction, and a bar**. Funds raised are for the PCC’s of the local Team Churches. Please contact Anne on 01480 880 672, for tickets.

Also in September, David Potter’s art and poetry exhibition comes to St Pandionia’s Café, more details to follow.

A new northern foot and cycle bridge for St Neots: The county council is asking for views from residents on a proposal to increase capacity for pedestrians and cyclists across the River Ouse to the north of St Neots either through building a new bridge (3 proposals) or by expanding the existing road bridge. The consultation is open until August 7th online at www.cambridgridgeshire.gov.uk/stneotsbridge or hard copies can be found at St Neots library. Further information is available at an exhibition on Tuesday August 1st 4-8pm at The Priory Centre, St Neots. Funds for the bridge if approved will be raised through section 106 monies secured against new developments.

Local Group: Huntingdonshire

Drones, Dukes and Dormice

The Huntingdonshire Local Group of the Wildlife Trusts is pleased to announce the first of our autumn indoor events. This will take place on Wednesday 13th September at 7.30pm at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB.

Our speaker will be Josh Hellon, who is the Wildlife Trusts Monitoring and Research Manager for Bedfordshire, Cambridgeshire and Northamptonshire. Josh will give an illustrated talk about the use of drones in monitoring and conservation, concentrating on the work of the Ecology Groups.

This should be a really interesting and innovative talk and anyone interested in wildlife is most welcome to attend. Booking is not necessary. Entrance charge £2.50 (accompanied children free). Please contact Tim on 01480 457795 for more information.
