**FROM: REV STEVE DAY**

By the time you read this, I'm sure quite a few New Year's Resolutions will have been made and broken. Not so much the ones like "lose weight" or "eat more fruit" which can't really be judged in the short term, but certainly the make-or-break ones like "stop smoking".

That's because resolutions require resolve! It's not enough just to have a feeling that something would be a good idea – resolutions must spring from deep within us where our willpower wrestles with the force of habit and our fondness for instant gratification.

Will power must also battle with inertia, and impatience – we must be prepared to change, and we must be in it for the long haul. When two people marry, so popular songs have it, they say "I do" – well, they don't! They say "I will" – they engage their willpower and look to the long term, not just the present moment.

A New Year's Resolution that is actually worth making, and actually worth sticking to, is really more of a New Year's Revolution – a turning away from how we have been to aim at what we intend to be.

The Biblical word for that turning is "repentance". It may sound a little strange to think of "losing weight" as "repenting of eating so much" but that's basically what it means!

Thinking about "New Year's Repentance" opens up a whole range of possibilities that might not occur to us. How about resolving to be more humble, get angry less, be less greedy, to spend more time and resources on relationships than on things? These are far harder to measure than weight, or how often we eat our "five a day" but correspondingly far more long- and far-reaching in their impact on our community and our world.

Jesus called his followers to be the light of the world and the salt of the earth. So how about if we all resolved to be brighter and more salty? More ready to challenge the dark, and more prepared to get stuck in and preserve our world from decay? That really would be a New Year's Revolution!

Christmas really begins with me when we put the lights on the Peace Tree, and as usual, thanks to Russell's aerobatics, they look great. The Village Christmas Party is always an enjoyable afternoon, and a great way to spend a few hours meeting old, and making new, friends, and as always, the highlight was the wonderful WI mince pies. This year we had more people than ever come along and, a good time was had by all!

We met our MP Heidi Allen at the Cambridge Road junction on the 2<sup>nd</sup> December so that she could witness the traffic chaos during rush hour periods and understand why we have been campaigning for improvements, she left assuring us that she would pursue the matters with Highways England, but we still need to keep campaigning, so do write and keep up the pressure. I attended a Forum on the proposed new A428 dual carriageway where Highways England were seeking views on the preferred route and building the case for funding. I have persuaded them to attend a meeting here in mid-January, date to be announced.

You may have noticed the 'Good Neighbour' signs down Caxton End, designed to deter unwanted callers. These, together with the stickers in the last Newsletter, give residents the backing they need to say NO to unwanted visitors. I will be distributing more leaflets on how to stay safe in future issues.

You may remember that through the Sustainable Parish Energy Partnership (SPEP) we have access to a Thermal Imaging Camera that picks up poor insulation in walls, doors and windows. Angela is in charge again so for your free assessment give her a ring 880303.

I have a few of the Commemorative Coins that were given to the children to celebrate HM The Queen's 90<sup>th</sup> Birthday at £3 each if anyone would like extras for children or grandchildren or just to keep?

Finally, we have a vacancy on the Parish Council, so if you would like to be involved, or would like more information, give me or our Clerk, Jane, a call.

The next PC meeting will be at **The Cade on Tuesday, 10<sup>th</sup> January 2017** commencing at **7.30pm** hope to see you there.

May I take this opportunity to wish you all on behalf of our parish council a Happy, Peaceful and Healthy New Year.

As always, praise or problems to me at 45 Caxton End or on **01480 880122** or [rtp@eplusmail.com](mailto:rtp@eplusmail.com) or our Clerk Jane Bowd on **01480 468451** or [eltisleypc@btconnect.com](mailto:eltisleypc@btconnect.com)

As I write this article in December, the lack of gritting through Yelling and Toseland is causing a problem with treacherous icy rural roads causing accidents and I am hoping that common sense will prevail and the road will be gritted routinely on a nightly basis should it be required. The council has a seven year contract with ECON who supply the council with new gritters every year from November through to April each year. This year the routes the gritters will travel along have been revised to reflect the challenging financial pressures that face the council.

The gritting routes have been designed to make sure all strategic routes have been gritted as well as all major roads such as to hospitals and schools. (Roads such as A14, M11, A47, A1 and A428 are gritted by Highways England). The new routes cover over 1,000 miles of the county's roads and can be viewed at

[www.cambridgeshire.gov.uk/wintergritting](http://www.cambridgeshire.gov.uk/wintergritting).

Plan your route to work in winter conditions based on the routes that are gritted. In this area the B1040 and B1046 will be gritted.

Cambridgeshire sees differing temperatures and weather conditions across the county that is why this year the county has been divided into 3 sections, North/East, South/West and City. Gritting will be tailored to meet the local needs and based on the conditions in these 3 areas rather than on the county as a whole. There is also an army of more than 70 local volunteers who help treat their local area when temperatures drop to freezing and below. If you would like to volunteer in your local community to help treat local areas please contact me.

**25<sup>th</sup> January: A Nazi in the Family, the story of my German grandfather and his family**  
by Derek Niemann

In January we remember the sacrifice made by **Herbert Topham**, who died during the First World War. Herbert was the oldest son of George and Martha Topham. He had been in the Bedfordshire Yeomanry since the spring of 1910 and as a serving member of the Territorial Force he was immediately available for service as soon as War was declared. Herbert was at camp in the Chelmsford area in December 1915 when he was taken ill with rheumatic fever and transferred to hospital in Southend-on-Sea, where he died on 7<sup>th</sup> January 1916, aged 34. Herbert is buried in Eltisley churchyard.

## St Pandionia's Parish - January 2017

Happy New Year! Firstly, a big thank you to all those who helped to make the church look so beautiful over Christmas especially those who cleaned, decorated and helped at our festive services. It was wonderful to have some members of Cambridge University Brass Band back in Eltisley to play for the Carol Service. Thanks to them, as well as to Stuart Moffat from Toseland and all our amazing singers (Eltisley definitely has talent!) who made this year's Carol Service so special.

This month we are back to a more regular pattern of worship and more details of all services are on the back of the newsletter. For those who like a coffee and a catch up with friends and neighbours, the first **St Pandionia's Cafe** will be on **Friday 20th January from 10-11.30am**.

Looking back on 2016, St Pandionia's has been busy. There have been Christmas, Easter and Harvest celebrations, as well as a fabulous wedding, several baptisms, special services for Newton School, a monthly cafe, a Remembrance concert and sadly also a funeral. The church is there for the whole village but it needs ongoing support. There are many who already give their time, talents and money but as a new year begins, we'd love to hear from more people who could help. Perhaps you could cut the grass occasionally? Do some cleaning or the flowers every now and again? Or set up a regular standing order to help with the church's running costs and on-going maintenance? Speak to one of the churchwardens - Sarah (880214) or Sylvia (880409) or email [stpandionia@gmail.com](mailto:stpandionia@gmail.com) to find out more.
