The Bible tells us the first Lent was when Jesus took on consciously following the leading and prompting of the Holy Spirit. Many of us might ask "What does that look like?" One of the best descriptions I know is from a fellow church leader who speaks of us 'taking note of the whispers of God'.

I remember – may be 20+ years ago – thinking to myself I really must pop in and see Jack ... then deciding I was too busy that day so no I would do that tomorrow. The following morning the phone rang – it was a Funeral Director to say: 'Jack died during the night; will you take his funeral?' I had heard the whisper of God but dismissed it as something no more than a random thought and could wait. I learned a sobering lesson that day.

One of the growing scourges of modern society is loneliness. It is mentioned in the tabloids and featured in news bulletins more often than we realise. In truth it is something we can all do something about – taking a few minutes to pop in on a neighbour, picking up the phone to someone we know is housebound, making the effort to put ourselves out just a little bit. It is the sort of thing that will make a huge difference and may well be a 'whisper from God' and matter far more than giving up something that really is insignificant in comparison.

I think this sort of response is especially important living in villages as we do – where transport links are more irregular and those who are completely or largely housebound have less people around them to be their neighbour.

Don't give up; agree to give out instead!

‘This is a good school. Pupils love their school and have very positive attitudes to learning, the pupils achieve well at Newton Community Primary School’

The past six weeks seem to have flown by and already half term is upon us at Newton Primary - huge amounts of learning have already taken place in such a short space of time! School is focused on improving mathematics this year and it is wonderful to walk around school and see our children enthusiastic and enjoying their maths lessons. A recent maths survey confirmed this!

A large group of our children have sung at the O2 arena this half term to an audience of 14,000 people and within a choir of 8,000 school children. What an amazing experience for them all, they all came back full of enthusiasm and pride!

We are working in close partnership with two other local schools, have held a football tournament and our school choirs have performed together. Staff work closely completing tasks such as book scrutinies and moderating work samples. Small schools are much stronger together and sharing good practise and skills across our partnership is so very important. We truly believe learning is a lifelong must have and I had great pleasure in attending the graduation of Mrs Doryland who received her MASTERS qualification this week. Mrs Doryland came to Newton as an NQT and with strong support from our school has achieved this qualification. It is important to instil in our youngsters that education is powerful and doesn't stop when you leave school.

Next month we will introduce you to the 'Newton Mooners'; we are a team of 11 who will be completing the Moonwalk on May 12th in aid of breast cancer research. The Moonwalk, all 26 miles, will be a test of endurance and stamina for us all I am sure. If you would like to sponsor the team, please contact the school office. All donations will be gratefully received!

Our school website is up to date and we continue to tweet regularly the happenings in school with regular updates to both social media platforms, which we hope will reach out to the community and beyond. Please take this opportunity to follow our school on @EltisleyNewton or visit www.newtonschool.co.uk

Graveley Village Hall Management Committee would like to say a **BIG THANK YOU** to John Hancox who was always ready to help and support organising events in the Village Hall. John has now resigned from the committee due to moving house. We would also like to wish him all the best in his new home.

The Halloween Party held on the 28/10/17 was a great success, everyone enjoying themselves. The proceeds we made for the village hall came to £125.20. So, thank you to everyone who supported this event. Also a big 'thank you' to the people who also made various donations in other ways, this was very much appreciated.

*I belong to a Friendship Club
We meet once a month at The Cade
The hours we meet are 2 til 4
A small subscription is paid*

*We always have a small raffle
It helps pay for hire of the hall
We play bingo, cards or a quiz
And make plans, for us all*

*About 3 we have our refreshments
And chat about how to raise cash
We need this for our outings
And for our Christmas bash*

*We go out to lunch quite often
When our funds allow
There aren't that many of us
But we enjoy ourselves, and how*

*If anyone else wants to join us
We are quite a friendly bunch
We are sure you would enjoy it
And you would get to go out to lunch!*

Every seat was taken in The Cade for our Neighbourhood Watch and Speedwatch Open Meeting, where we had representatives from the local Policing Team, which was indicative of the level of concern in the village over public safety. The Police were represented by Sgt Jon Capes (Jon.Capes@cambs.pnn.police.uk), PC Paul Jenkins (Paul.Jenkins@cambs.pnn.police.uk) the local Speedwatch Co-ordinator, and PCSO John Coppard (John.coppard@cambs.pnn.police.uk) who covers our village. Residents were able to express their views and voice their concerns and the two main issues were speeding and burglary. The Police figures show that Eltisley is a very safe village with very low crime levels, but it was emphasized that ALL crimes, however small, should be reported, and simple precautions such as checking gates, outbuildings, doors and windows are locked and leaving lights on when out can be very effective deterrents. The installation of alarms and CCTV are also recommended. I am hoping to organize a Home Security Event in The Cade in the Spring so watch this space.

Neighbourhood Watch is another important element in crime prevention, and whilst we have 17 volunteers in the village, the point was made that in fact everyone can take part, because it is simply being observant, whether walking the dog or washing the car, noticing anything unusual and reporting it can be important, and the Police encourage and welcome calls on 101 or anonymously on <https://www.contactcambspolice.uk/Report>. We need more volunteers to cover the whole village and if you would like to help please let me know, there is little effort required and you will be kept up to date with events by email and ecops bulletins.

The Police were effusive in their praise of our Speedwatch team and how we have significantly reduced the number of offenders in the village. We are one of the most successful teams in the County but more needs to be done, and now that we have our own kit we are in a position to operate more often and at short notice, but to do that we need more volunteers, and I do not believe that there is anyone in the village who could not help. We even have a team member who is in full time employment who comes on their days off!! So, even those who are retired and on holiday often are not always away, and there can't be anybody who is unable to spare the odd hour and a half to help make our village safer. Instead of just complaining about speeding vehicles do your bit to stop them! Do give me a call to find out more, and you are all welcome to join us at one of our sessions to see how easy and effective it is. Again, if you are aware of a persistent offender take their number and pass it onto the Police on 101 or via <https://www.contactcambspolice.uk/Report/> they have pledged to try and catch them.

Finally a word about our Village Fuel Club. There seems to be a rogue receptionist at Conquest Oil who does not understand the system – which is to telephone Conquest Oil on 01525 402209/402073, say that you are a member of Eltisley Fuel Club and you want the Fuel Club's price. It may not always be the cheapest but they are competitive and they will do just a top up if required and, most importantly, it cuts down the number of lorries coming into the village. If you do have problems ring me.

There will be a **Working Party** meeting at the **Bus Shelter on The Green on Saturday, 3rd March 10-12pm** refreshments including Pat's cakes! Please do come along and lend a hand.

Our next PC meeting will be at **The Cade Pavilion on Tuesday, 13th March 2018 at 7.30pm** do come along. As always, praise or problems to me at 45 Caxton End or on **01480 880122** or rtp@eplusmail.com or our Clerk Jane Bowd on **01480 468451** or eltisleypc@btconnect.com

ST PANDIONIA'S PARISH, ELTISLEY - March

St Pandionia's 100 Club is a cash prize draw that takes place 4 times each year. In each draw the total value of the 3 prizes, is £100. It works like this: you buy a ticket, which you keep for the year. Each ticket costs £15. The draws are made on the 1st Sunday of June, August, October and December. Sometimes the draws are in the Cade, sometimes in the Church. You can buy 100 Club tickets using the form enclosed in the Eltisley editions of this Newsletter. Why not buy some tickets for friends or family? For more information, please contact Nichola on 880 285.

On March 4th, we are cooking lunch in the Cade. This is a great value meal, just £5 for Cade members (£7.50 for non-members), and just a short walk from home. If possible, please let us know in advance that you are coming, so that we can get the catering quantities right, but it is also fine to turn up on the day. We look forward to serving you a delicious meal – and doing the washing up too!

On Good Friday, there is the annual walk from Eltisley. This year, to Yelling and then on to the church at Papworth St Agnes. Please come along, and why not bring a dog too, if you have one or can borrow one? There will be a meditation at Papworth St Agnes, following the Stations of the Cross, led by Rev Steve Day. Lifts available, if you would like one, to get back to Eltisley, at the end. Let's hope for a sunny spring morning, when we set off from the church at 10.00.

The Lent course will continue on Wednesday evenings. It takes place in Caxton Church, starting at 7.30pm. We'll be using the Ely Diocesan course "Come and See" based on a series of passages from John's Gospel. All are welcome, from any parish.

Please make a note of the dates below in your diary, for some of the events that we are planning through the year. Coming up soon, are the Fete planning meeting, and the Churchyard clear up. Your contribution would be greatly appreciated. It is worth coming to the clear up, if only for the bacon sandwiches!

ELTISLEY & CROXTON WI NEWS:

At the time of 'going to press', our February meeting had not taken place. Some of us already knew something of the night-life of badgers....digging holes in our lawns! But we were sure to find out a lot more about these iconic nocturnal animals.

Ladies of any age, do come along to one of our meetings and sample what's on offer! If you have an enquiring mind and like to try something new then there is something for you!

We usually meet at the Cade Pavilion, 7:30 on the second Wednesday of the month. To find out more contact Inez - 880358, or Carol - 880328, or just come along.

Wednesday 14th March we will be exploring "**Science for Fun**" with Pat King. This is an opportunity to find out how the fun of science can be demonstrated in your own kitchen with everyday ingredients and equipment. How to amuse and fascinate your children, grandchildren and yourself!

Wednesday 11th April. Annual Meeting. This will mark the end of our busy 70th birthday year with many happy memories to share. But it is also the beginning of our new year with a fresh programme of speakers and activities to look forward to.

Cambridgeshire County Council sets its 2018/19 budget:

At the county council meeting on 6th February Cambridgeshire County Council agreed its 2018/19 budget. Members had heard that despite investing in a range of innovative and ambitious transformation and efficiency plans, without which the situation could have been much worse, the County Council was still projecting a budget gap for 2018/19 of £4.3m even after including a proposed 2% Adult Social Care Precept.

At the meeting Members voted in favour of a budget proposal that added an additional 2.99% Council Tax increase to its 2018/19 budget. Opinion was divided on how the money raised should be spent.

The Adult Social Care Precept increase of 2% and the Council Tax increase of 2.99% will add £23.76 annually (46p weekly) and £35.64 annually (68p weekly) respectively to a Band D property, before other precepting authorities such as city and district councils, fire and police add their amounts.

NEW
BUILDING
FROM
SUMMER
2017

Offord
Pre School

OPEN
TO
ALL
CHILDREN

Our Ofsted registered pre school is set in the grounds of Offord Primary School. In summer 2017, we will replace our current building with a brand new purpose built building and will have use of the school's field and playground. In addition, we will be offering forest school sessions. Open from 7.30am until 4.30pm during term-time.

We are pleased to offer 15 hours funded childcare for 2, 3 and 4 year olds and also offer the additional *15 hours funding for 3 and 4 years olds for eligible families, (*subject to availability). This can also be split between different pre schools/nursery schools if you prefer.

Offord Pre School has its own secure garden and excellent links to the A1 and A14 and is around 10 minutes away from St Neots and Huntingdon railway stations.

We welcome children from Offord as well as the surrounding villages.
